

DONDERO INVITES 3RD GRADERS TO:

An after school Enrichment Program beginning Thursday, January 12th.

The Khan Academy is an organization on a mission. It is a not-for-profit with the goal of changing education for the better by providing a free world-class education to anyone anywhere.

What is Khan Academy?

Khan Academy is an online, not-for-profit organization that provides video tutorials, practice exercises, and assessments FREE of charge. The site caters to a variety of content areas and concepts.

Students will be required to access gmail for Educator accounts.

Who can benefit from Khan Academy?

Students, Teachers, and parents can all benefit from Khan Academy's resources. From video tutorials to in-depth reporting tools, there is something for everyone.

What are some of the FREE tutorials available through Khan Academy?

Addition, Subtraction, Number Lines, Multiplication, Word Problems, and Geometry are only a small sample of the tutorials available.

How are students engaged through Khan Academy?

Not only is Khan Academy full of game mechanics. As soon as students login, they start to earn badges and points for learning. The more students challenge themselves, the more bragging rights they'll have.

This is our second session of Dondero Khan Academy. Student acceptance will be in the following order:

- 1st Students on the Wait List from the first session
- 2nd Students signing up for the first time
- 3rd Returning Dondero Khan members

Coaches for 3rd grade:

Mr. Lance McMillan, Parent Volunteer & Mrs. Karen Dowling, 2nd Grade Teacher

DONDERO 3RD GRADERS ARE INVITED TO:
