

August 2011

Dear First Grade Friend,

Welcome to first grade! I hope that you are having a fun summer. I can't wait to meet you and hear all about your summer adventures. I am having a great summer going to the beach, reading and working in my garden. I have also taken a few trips. I am looking forward to sharing some of my photos with you.

I have planned lots of fun activities for this coming year. You are going to learn many new things and have a lot of fun while you learn.

Listed below are recommended supplies for first grade. These supplies will be shared with the classroom community.

- one box of markers (thick or thin)
- two large glue sticks
- one box of colored pencils
- a backpack for you!

I look forward to meeting you and your family soon.

Your Teacher,

Mrs. Bulger-Judd (Mrs. B)
