

August 2011

Dear First Grade Friend,

Welcome to first grade! I hope that you are having a fun summer. I can't wait to hear all about your summer adventures. I am having an excellent summer going to the beach and reading a lot of great books. I also have done some traveling. I am looking forward to sharing pictures with you.

I have planned lots of fun activities this year! You are going to learn many new things and have a lot of fun while you learn.

Listed below are recommended supplies for first grade. These supplies will be used to share with our classroom community.

- one box of markers (thick and thin)
- two large size glue sticks
- one box of colored pencils
- a backpack for you!

I look forward to seeing you soon and meeting your family.

Your Teacher,

Mrs. Pignataro (Mrs. P)
