I am a student at Dondero School in Portsmouth, NH. Our PTA is sponsoring a Spell-a-Thon. I will have a written spelling test at school on Wednesday, April 14th. There are 25 words on my spelling test. By pledging a certain amount of money for each word I spell correctly, you will help encourage me to improve my spelling and also help my school (*Ex: 20 words @ \$1.00 = \$20.00*). Flat rate donations are welcome too! Money raised will go to support enrichment programs at my school.

Will you consider doubling your pledge if I meet my goal? I will let you know how many words I spelled correctly, but I hope to get 100% right as all of the money pledged supports my school!

Because no goods are being purchased or sold, **all pledges are fully tax-deductible.** Please let me know if you need a receipt.

Your support is greatly appreciated, and pledges can be made in the form of cash or checks made payable to Dondero PTA.

I will return in about two weeks to show you my test and to collect your pledge. **Thank you for your support!**
